Modified NCPDP 3.2 NPI Changes:
1) Allow for NPI in the Servicing Provider Field, positions 33-44
     For transactions created after May 23, 2007 will expect only the NPI
2) Added the qualifier for the NPI in the Prescriber ID field, positions 181-182
     Prescribing Provider ID Qualifier
     01 = National Provider Identifier [NPI]
     05 = Medicaid ID
     12 = DEA #

NCPDP 5.1 NPI Changes:
There were no changes to the actual layouts, BUT don't forget to:
Allow for the NPI qualifier to the Servicing Provider [202-B2, Service Provider ID Qualifier] and the Prescribing Provider [466-EZ, Prescriber Provider ID Qualifier].
